Engineering Projects

Jessanotherslice | Sole Developer | jessanotherslice.com

Jun. 2020 – Present

A website / blog for @jessanotherslice, a NYC-based pizza influencer with 13K+ followers and 300+ posts

- Integrated Google Maps API to display top pizza choices by category
- Utilized GraphQL to query document-oriented database and pull visited restaurants and ratings
- Stack: Node.js, Express, Mongoose, MongoDB, GraphQL, React, Google Maps API, GatsbyJS, Netlify

Hive | Full-stack Developer | hivebymln.herokuapp.com

Jan. 2020 – Feb. 2020

An interactive, real-time collaboration platform for sharing ideas visually via whiteboard and verbally via chat

- Developed and integrated live chat across various whiteboard instances using Socket.io and Express Sessions
- Implemented PostgreSQL database via AWS and connected user and whiteboard data via TypeORM queries
- Stack: Node.js, Express, TypeORM, PostgreSQL, AWS, TypeScript, React, Redux, Socket.io, Fabric.js

LaLaLime | Full-stack Developer | lalalime.herokuapp.com

Jan. 2020

An e-commerce website that sells women's leggings

- Designed and implemented relational database schema to store user, product, and order information
- Developed and tested the shopping cart component across the vertical stack using Passport.js
- Managed team workflow, maintained version control on GitHub and peer reviewed code before production
- Stack: Node.js, Express, Sequelize, PostgreSQL, JavaScript, React, Redux, CSS, Heroku, Travis, Stripe API

Work Experience

Wachtell, Lipton, Rosen & Katz | Corporate Paralegal | New York, NY

Jun. 2018 – Jul. 2019

- Assisted partners and associates through all phases of the deal process, including filing corporate documents, coordinating communication with support departments, and maintaining document indices
- Supported 20+ deal teams with detailed analysis of diligence items, company filings and press releases
- Implemented firm-wide document templates that expedited document creation and distribution for over 150 attorneys and paralegals
- Initiated and led training sessions with junior paralegals on SEC filing software, execution of document requests and relationship management with third-party vendors

Helen2017 | Campaign Intern | New York, NY

Jun. 2017 – Aug. 2017

- Researched and educated dozens of voters on redistricting rules for Upper-West Side neighborhood schools
- Trained 5 campaign volunteers on the NationBuilder database, phone-banking, and campaign finance filings
